**West Culburra Concept Proposal (App. No. SSD 3846) – Public Submission**

When making this submission, I declare that I have / have not made a reportable political donation in the previous two years.

I support the **West Culburra Concept Proposal (App. No. SSD 3846)** for the following reasons:

*I have been a resident of Culburra Beach for 43 years and am in full support of the above proposal for the economic growth and personal expenditure to boost the shopping center sustainability. As a retired plumbing contractor I have had personal dealings regarding inadequate drainage, and the integrated Water Cycle Management Strategy would be a vital part of this proposal.*
