West Culburra Concept Proposal (App. No. SSD 3846) – Public Submission

When making this submission, I declare that I ~~have~~ / have not made a reportable political donation in the previous two years.

I support the **West Culburra Concept Proposal (App. No. SSD 3846)** for the following reasons:

I have live in Culburra Beach For 40 years been involved in Local Soccer a Player a Coach. ~~See~~ We need more Jobs For Kids and tradesmen in this town. Otherwise our town will slowly die.

It will Greater opportunities For First home buyers. Because what left is housing Prices are to high - For the Kids. I have my Kids and Grandchildren living here. I Want my Grandchildren to have a Future. So they can live here to.

I have worked in Culburra a Callala a Currumbidgee For 28 years on Water a Sewage System. It works quite Fine. So there is no Water Problem.

Also the development has No Impact on Lake Wollumbulla, or Binol life.

In Closing I don't want our town to die. I Want it to grow and have Jobs and a Future For Kids a Grandchildren
thanks
