To the Director,

Re: West Culburra Concept Proposal, SSD 3846  
Amended Application

I am fully in support of the proposed development for Culburra Beach.

This development will greatly improve the economic growth of the area & also provide much needed employment for the youth of this area. With a bigger population its possible we would get better public transport services. Culburra needs more people to ensure a better future for our town.  
Signed.
