West Culburra Concept Proposal (App. No. SSD 3846) – Public Submission

When making this submission, I declare that I ~~have~~ / have not made a reportable political donation in the previous two years.

I support the **West Culburra Concept Proposal (App. No. SSD 3846)** for the following reasons:

- 1) It is a beautiful area to be shared
- 2) Everything changes, we are fortunate to have had Mr Halloran's vision & forward thinking to design an area in keeping with the integrity of the area.
- 3) The existing shops & businesses have been struggling for years.
- 4) We need more people living here to support the local businesses and shops.
- 5) We need jobs for the locals and their growing families - they shouldn't have to move away for employment.
- 6) We need progress.
- 7) We need it to go ahead as soon as possible.
- 8) It has been held up long enough.
- 9) The plan addresses all the ecological

requirements, basics, etc.

10) The presentation at the Culberrra Club was well presented and it was a nice change to not have constant obsticals and objections. More positivity.

11) # Good luck with it and hope we all get to see it and our families can benefit from the development as soon as possible.
