West Culburra Concept Proposal (App. No. SSD 3846) – Public Submission

When making this submission, I declare that I have / have not made a reportable political donation in the previous two years.

I support the **West Culburra Concept Proposal (App. No. SSD 3846)** for the following reasons:

My family has lived in the area permanently since 1980. My parents could not stay in the area due to no downsizing availability at that time. [redacted] yrs ago and moved out of the area. I'm now [redacted] and would like to see the availability of villas or town houses. I believe this would create jobs and the area needs to grow to encourage local shops to increase in variety. It is the safest place to live due to coronavirus.
