West Culburra Concept Proposal (App. No. SSD 3846) – Public Submission

When making this submission, I declare that I have / have not made a reportable political donation in the previous two years.

I support the **West Culburra Concept Proposal (App. No. SSD 3846)** for the following reasons:

As a young kid growing up in the area I have always wanted to eventually buy / build in culburra. With this new development it would be a great opportunity to be able to do that due to the increase of blocks/houses.

Being a tradesman in looking forward to the increase of construction work locally. As I'd hate to have to travel out of the area in the next few years due to a decrease in new construction in culburra.
