West Culburra Concept Proposal (App. No. SSD 3846) – Public Submission

When making this submission, I declare that I have / have not made a reportable political donation in the previous two years.

I support the **West Culburra Concept Proposal (App. No. SSD 3846)** for the following reasons:

The development will bring long term economic support to Culburra Beach and wider areas.

Greater opportunities for local people to upgrade, relocate or downsize.

The development integrates well with the existing township.
