**West Culburra Concept Proposal (App. No. SSD 3846) – Public Submission**

When making this submission, I declare that I ~~have~~ / have not made a reportable political donation in the previous two years.

I support the **West Culburra Concept Proposal (App. No. SSD 3846)** for the following reasons:

It will give a much needed growth to the existing township.

The development will give jobs to local companies whilst building a support to the existing businesses

I love the idea of affordable housing so our kids will be able to stay in the area

Overall there isn't anything I don't like about the proposal. I feel there is something for everyone including the existing population as well as anyone who may move here
