West Culburra Concept Proposal (App. No. SSD 3846) – Public Submission

When making this submission, I declare that I ~~have~~ / have not made a reportable political donation in the previous two years.

I support the **West Culburra Concept Proposal (App. No. SSD 3846)** for the following reasons:

I have been a resident in Culburra for the past 12 years and we have been trying to get this development up and going ever since we have lived here. It is a great necessity for the area to improve the community, growth is needed for the businesses to prosper instead everything is closing.

It will give employment to the local trades and the young people of the area will be able to get jobs.

The environment
I believe I will NOT be affected by

the proposed development and the water quality of Lake Wollumboda and the Crookhaven river will be adversely effected due To the best available water management system.

Your favourable consideration of the proposed development will go a long way To ensuring a sound future for our Township

Yours Sincerely

THE DEVELOPMENT MUST GO
AHEAD!
