**West Culburra Concept Proposal (App. No. SSD 3846) – Public Submission**

When making this submission, I declare that I ~~have~~ / have not made a reportable political donation in the previous two years.

I support the **West Culburra Concept Proposal (App. No. SSD 3846)** for the following reasons:

One of the biggest reasons is that my family may be able to stay in the area as they would be able to purchase in the area with the extra housing that will become available

I love how energy efficient the properties will have - great for our environment & the water management & within will go into the lake.

The new development will bring something for everyone
