West Culburra Concept Proposal (App. No. SSD 3846) – Public Submission

When making this submission, I declare that I ~~have~~ ^{have not} / ~~have not~~ made a reportable political donation in the previous two years.

I support the **West Culburra Concept Proposal (App. No. SSD 3846)** for the following reasons:

My Husband and children came to Culburra Beach in 1969, to live here, my mother gave us the land, there was no water (only tanks on the property) we built a home and my children went to Pyree school, gradually the town got water & sewerage, then the Culburra school was built and more shops, my children are still living here, as we have a good life, being part of the town, my granddaughters and husband have a successful gym, which I attend with seniors in the town, and I think it is time again to grow for our future families, and I hope and pray that we will prosper as a "Burradisi" and people will love living here.

Kind Regards
