**West Culburra Concept Proposal (App. No. SSD 3846) – Public Submission**

When making this submission, I declare that I have / have not made a reportable political donation in the previous two years.

I support the **West Culburra Concept Proposal (App. No. SSD 3846)** for the following reasons:

Culburra needs to increase its population so that there is a need for more shops. Shops that have closed ~~with~~ <sup>will</sup> then re-open; meetings and eateries will then hopefully be swamped by more people.

The current Culburra is presently filled with holiday housing - by having more permanent residents and thereby making it a larger town will be very supportive for its shops and clubs.
