West Culburra Concept Proposal (App. No. SSD 3846) – Public Submission

When making this submission, I declare that I have / have not made a reportable political donation in the previous two years.

I support the **West Culburra Concept Proposal (App. No. SSD 3846)** for the following reasons:

I think this is a fantastic proposal and so long overdue. I believe that it will help to ensure the long term economic viability of the area and create employment for a lot of the younger residents, who have for years been forced to move to other areas for work. It will also be a positive for local business, who have struggled to survive for many years.

Sincerely
