West Culburra Concept Proposal (App. No. SSD 3846) – Public Submission

When making this submission, I declare that I have / have not made a reportable political donation in the previous two years.

I support the **West Culburra Concept Proposal (App. No. SSD 3846)** for the following reasons:

Further development with more residential land for new homes to be built on. Medium density for apartments/units and the addition to the industrial area are all important for the future growth of Culburra Beach.

The road improvements and pathways and parks would be all positive assets for the future of the area.
