West Culburra Concept Proposal (App. No. SSD 3846) – Public Submission

When making this submission, I declare that I ~~have~~ / have not made a reportable political donation in the previous two years.

I support the **West Culburra Concept Proposal (App. No. SSD 3846)** for the following reasons:

It will help business in Culburra and a wider area.
no stormwater outlets into the river so water quality
will not worsen the oyster growing areas and wetlands.
no extensive damage.
Will bring more people to the area.
The roads will be upgraded.
more park and playing fields.
New gateway to Culburra, safer roads.
Will give first home buyers chance to enter market.
