West Culburra Concept Proposal (App. No. SSD 3846) – Public Submission

When making this submission, I declare that ~~I have~~ / have not made a reportable political donation in the previous two years.

I support the **West Culburra Concept Proposal (App. No. SSD 3846)** for the following reasons:

The Culburra Beach / Orient Point area needs further development (people) to support the shopping centre, community services and infrastructure to support the area.

The different types of proposed homes will enable a wide range of ages to keep or start their lifestyles in the area.

The ecology systems proposed will eliminate any damage to the Crookhaven river and surrounding wetlands.

The intention to work a management system with the local indigenous peoples to preserve middens - important sites.

- Development is a must.
