West Culburra Concept Proposal (App. No. SSD 3846) – Public Submission

When making this submission, I declare that I have / have not made a reportable political donation in the previous two years.

I support the **West Culburra Concept Proposal (App. No. SSD 3846)** for the following reasons:

THE REASON I support the development is because Culburra, Callala, Currarong & GREENWELL POINT. All these AREAS have a massive land shortage, & the younger generation need to have opportunity to buy land & build their home & family in the local area just like the generation before them. It's all about having the younger people & giving them a chance just like we have had.

The people against the proposal are just being selfish & thinking of themselves. Someone removed trees so they could have their home,
OFF Course this development should go ahead because it is needed
