West Culburra Concept Proposal (App. No. SSD 3846) – Public Submission

When making this submission, I declare that I ^{have not} ~~have / have not~~ made a reportable political donation in the previous two years.

I support the West Culburra Concept Proposal (App. No. SSD 3846) for the following reasons:

- Hello my name is [REDACTED] I grew up in Culburra but moved to Sydney when I was 20. I then moved back to Culburra 7 years ago with my husband and we started a business here in Culburra called EST Health and Performance Gy and had our two children, [REDACTED]
- I support W.C.P. for these reasons:
 - to be able to watch my children have a great future in a community that is thriving, prospering and progressing.
 - to see our business grow and prosper in helping our community to be the best they can be, in their health and happiness.
 - to see all our friends and family to have opportunities to be employed, and stay and enjoy ^{Page 1} our community and not have to move because they have no where to live.

- to see improved facilities would be wonderful for young families like my own including
 - parks
 - sporting fields
 - pathways
 - boardwalks
 - woodlands
 - cycle way
- to see the entrance and roadworks of Culburra greatly improved would also beautify and make our town more welcoming.
- to see our community excited for the future changes, improvements and progress would be a highlight to myself and my family and all those that would like to live here too.

Thankyou
