**West Culburra Concept Proposal (App. No. SSD 3846) – Public Submission**

*When making this submission I declare I have not made a reportable political donation in the previous 2 years.*

I am in **opposition** to the West Culburra Concept Proposal (App. No. SSD 3846) for the following reasons:

I am 19 years old and in my second year of an apprenticeship. I gained this not long after moving to Culburra from the Illawarra. I work in Nowra and attend tafe in Nowra. I don't believe the town should be forced to grow. We live in a small town with a nearby regional centre. There are more than adequate facilities in Culburra. If you like what Culburra has to offer its a great. If there isn't enough here for you then live elsewhere. It is what it is.

I would like to add;

- I live on Curleys Bay and will be affected by the noise created by the development.
- The roads here are in very bad repair, we need them fixed before more are built.

Yours sincerely,

Pedro De Paula
