Hi Necola,

Thank you for consulting with TransGrid in respect of SSD 7664. Please find attached TransGrid's submission in respect of the proposal and a plan showing the location of TransGrid's easement.

TransGrid has no objections to the proposal. It appears there are no works proposed within the easement. Please advise if you are aware of any proposed works within the easement as these would require further assessment by TransGrid.

Please find attached the *TransGrid Easement Guidelines for Third Party Development (V10)* for your reference.

Should you have any further queries please feel free to contact me on 02 9284 3174.

Kind regards,

Kylie O'Brien Pratt
