Dear Mr McManus

### **Oran Park High School and Expansion of Oran Park Public School (SSD 7968) Comment on the Environmental Impact Statement (EIS)**

I refer to your email of 13 April 2017 to the Department of Primary Industries (DPI) in respect to the above matter. Comment has been sought from relevant divisions of DPI. Views were also sought from NSW Department of Industry - Lands that are now a division of the broader Department and no longer within NSW DPI. Any further referrals to DPI can be sent by email to [landuse.enquiries@dpi.nsw.gov.au](mailto:landuse.enquiries@dpi.nsw.gov.au).

DPI has reviewed the EIS and provides the following recommendations:

- The proponent should ensure that all works are carried out in accordance with DPI Water [Guidelines on Controlled Activities \(2012\)](#).
- The EIS notes that the proposed development is not likely to intersect any groundwater. The proponent should note that in the event that groundwater is encountered DPI Water ([water.referrals@dpi.nsw.gov.au](mailto:water.referrals@dpi.nsw.gov.au)) should be consulted on any licensing requirements that may be necessary.

Yours sincerely
