Dear Ms Masters

**Woodlawn Mechanical Biological Treatment Facility (MP 06\_0239 MOD 2)  
Notice of Exhibition of Modification Request**

I refer to your email of 24 July 2018 to the Department of Industry (DoI) in respect to the above matter. Comment has been sought from relevant branches of Lands & Water and Department of Primary Industries. Any further referrals to Department of Industry can be sent by email to [landuse.enquiries@dpi.nsw.gov.au](mailto:landuse.enquiries@dpi.nsw.gov.au).

The department provides the following comments for consideration in assessment of the proposal.

**Recommendation**

Additional information should be requested to confirm the water requirements for construction and operation of the project and to confirm an adequate and reliable supply is available.

If the supply is not an existing licensed source, additional information is requested on the potential impacts of accessing that supply and whether additional entitlement can be acquired.

Yours sincerely
