Dear Ms Leung

Thank you for your letter of 13 August 2018 requesting comment from the Civil Aviation Safety Authority (CASA) on a State Significant Development (SSD) application for the development of the Pitt Street (North) Over Station Development in the City of Sydney Local Government Area (SSD 8875).

CASA has reviewed the SSD and I am advised that the advice provided to the Sydney Airport Corporation Ltd on 21 February 2018 remains valid (copy attached).

For more information or to discuss this matter further, please email:  
[anaa.corro@casa.gov.au](mailto:anaa.corro@casa.gov.au).

I trust this information is of assistance.

Yours sincerely
