- 4/ LOSS OF SMALL BUSINESSES IN FAVOR OF OVERSEAS CORPORATES.
- 5/ LOSS OF COMMUNITY FOR REMAINING RESIDENTS.
- 6/ DUST LEVELS WILL INCREASE WHICH WILL CONTAMINATE TANK WATER. WHICH WE RELIE ON DRINKING & WASHING.
- 7/ HEALTH - ASTHMA & LUNG PROBLEMS WILL OCCUR IN PEOPLE OF ALL AGES, LETHARGY, TIREDNESS FROM NOISE, ANXIETY AS WELL.
- 8/ ROAD MODS. ARE NOT FEASIBLE, BETTER FOR COMMUNITY TO HAVE A BRIDGE TO REPLACE YARRAMAN CAUSWAY, SO WHEN IN FLOOD THERE IS ACCESS INSTEAD OF DRIVING THROUGH CUT ROADS.
- 9/ AREA IS NOW CLASSIFIED STERILE BY COUNCIL WHICH IS CAUSED BY MINING. THERE IS NO-MARKET TO SELL PROPERTY. NO ONE WISHES TO LIVE WITH A MINE AS THEIR NEIGHBOUR.
- 10 ENVIRONMENT - LOSS OF AQUA STREAMS SO FAUNA INVADES PADDOCKS REDUCING OUR CARRYING CAPACITY
