**Subject:** RE: Notice of Exhibition - Meriden School (SSD-9692) - EESG

**Categories:** Important Info

Hi Scott,

The Environment, Energy and Science (EES) Group has reviewed the Meriden School SSD and has no comments on the proposal with respect to biodiversity and floodplain risk management. Please note that EES Group is unable to provide comments on Aboriginal cultural heritage at this time. This should not be taken for EES support for the proposal and ACH matters may still need to be considered by the consent authority.

Kind regards,  
Dana
