

Petition to STOP the Bringelly Road Business Hub Nulon Motor Oils Facility

A proposed light industrial warehouse facility with ancillary office space, accommodating approximately 10,696sqm; and approximately 70 car parking spaces.

The proposed operations include the preparation of motor oil products for future retail sale off-site, the operations include:

- Bulk fluid delivery and storage;
- Blending;
- Bottling and packaging;
- Storage;
- Dispatch and distribution; and
- Ancillary office administration

Storage will include

Aerosols	35,000 Litres
Hitec 3062	615 Litres
Hydrochloric Acid	400 Litres
Caustic Soda Liquid	400 Litres
Combustible Liquid	1,066,025 Litres

The data has been taken from existing site operations with allowance for a level of inventory growth into the future.

Petition to STOP the Bringelly Road Business Hub Nulon Motor Oils Facility

A proposed light industrial warehouse facility with ancillary office space, accommodating approximately 10,696sqm; and approximately 70 car parking spaces.

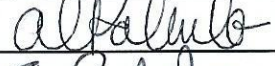

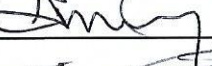

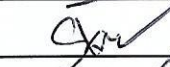

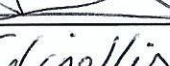

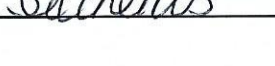

The proposed operations include the preparation of motor oil products for future retail sale off-site, the operations include:

- Bulk fluid delivery and storage;
- Blending;
- Bottling and packaging;
- Storage;
- Dispatch and distribution; and
- Ancillary office administration

Storage will include

- Aerosols 35,000 Litres
- Hitec 3062 615 Litres
- Hydrochloric Acid 400 Litres
- Caustic Soda Liquid 400 Litres
- Combustible Liquid 1,066,025 Litres

The data has been taken from existing site operations with allowance for a level of inventory growth into the future.
