Subject: Stephen Albury Objection to AGL Gas - Newcastle Gas Storage Facility at Tomago with pipeline to Hexham
CC: "Amanda" <saorb@skymesh.com.au>

Dear Sirs,

This is the start of my formal objection to AGL Gas Newcastle Gas Storage Facility at Tomago with pipeline to Hexham.

I am still working on my letter of concerns, so would like to claim Submitters Rights and be able to add to this formal objection, with my full submission coming as soon as possible.

There are major concerns with the gas industry after meeting AGL Gas staff on Sunday I am not convinced. The EA over 5 volumes and reading this in the allotted timeframe is unreasonable.

I will send my futher submission through as soon as possible.

Thank you
Stephen Albury
