Dear Ms Jones,

Newcastle Gas Storage Facility – Modification 2 (MP10_0133_MOD2)

Thank you for your letter dated 24 September 2013 inviting WorkCover to make a submission on the above document and request including advice on recommended conditions of approval.

WorkCover considers that there are no significant WorkCover related issues that would preclude DP&I from proceeding to determine the request provided the suggested condition below is included in the approval.

The suggested condition is set out below.

Within two months from the date of this approval, the proponent must consult with the Major Hazard Facilities Unit of WorkCover NSW with regard to including the hazards related issues of the proposed modification in the safety case.

Should you have any queries please contact me on telephone (02) 8281 6485 or email sohan.fernando@workcover.nsw.gov.au.

Yours sincerely,

Sohan Fernando
