Dendrobium Mine: Plan for the Future - Coal for Steelmaking Project (SSD-8194)

Attention: Director – Coal and Quarry Assessments Department of Planning, Industry and Environment GPO Box 39 Sydney NSW 2001

supports the proposed Dendrobium Mine: Coal for Steelmaking project (SSD8194).		
Reasons for my support are as follows:		
Socio-Economic Benefits		
a further 100 jobs The Project will ge	would sustain the employment of Dendrobium's workford for the life of the Project and an additional 200 jobs in co enerate around \$714 million in royalties, taxes and rates,	
The Project will re	eal and state infrastructure and services. Sesult in a total net benefit to the NSW economy of over \$2 Ed terms), including over \$1.1 billion (real, undiscounted to Engong Region.	
•	d allow South32 to continue to support local suppliers and ding additional security and longevity of employment in the
