Dear Ellen,

**Environmental Impact Statement (EIS)
Mulwala Solar Farm Project (SSD 9039)
Savernake Road, Mulwala**

I refer to the above development proposal's EIS, which is currently on public exhibition. Fire & Rescue NSW (FRNSW) have reviewed elements of the proponent's EIS that are of relevance to us. We do not have any new comments in relation to the EIS. However, we reiterate our previous comments submitted to the Department on the 17 January 2018 in relation to the draft Environmental Assessment Requirements.

For further information please contact Fire Safety Assessment Unit, referencing FRNSW file number BFS18/1781. Please ensure that all correspondence in relation to this matter is submitted electronically to firesafety@fire.nsw.gov.au.

Yours sincerely
