Dear Ms Timbrell

**Re: Exhibition of modification request for Silverton wind farm (MP
08_0022 Mod 1)**

Thank you for the opportunity to provide advice on this matter. This is a response from the NSW Department of Trade & Investment (DTIRIS) – Mineral Resources Branch (MRB). The Department of Primary Industries, incorporating advice from Agriculture, Fisheries and Forests NSW may respond separately.

It is understood that the proposed modification is only a request to delay construction of the approved wind farm by up to two years. MRB has no concerns with this aspect of the proposal.

Queries regarding the above information, and future requests for advice in relation to this matter, should be directed to the MRB Land Use team at landuse.minerals@industry.nsw.gov.au.

Yours sincerely

Cressida Gilmore
Team Leader Land Use
