Dear Mr Freeman

WONGAWILLI COLLIERY – NEBO AREA PROJECT APPROVAL MODIFICATION NO.1

I refer to the proposed modification to the Project Approval for Wongawilli Colliery – Nebo Area which seeks to permit an extension to the duration of the mining operations from 31 December 2015 to 31 December 2020.

This is to confirm that no objection is raised to the proposed modification to condition 5 of the Project Approval, in order to extend the duration of the mining operations at Wongawilli Colliery for a further five years, up to 31 December 2020.

Should you have any enquiries or wish to discuss this matter further, please contact me or Mr Ron Zwicker, Special Projects Manager on the telephone number below.

Yours faithfully
