Subject: Re: Moolarben Project

> Dear Sir
> I would like to register my objection to the proposed Moolarben Coal Complex Stage 2, Project
No:08_0135
>
> THe Upper Hunter Valley is being overwhelmed by coal projects. We are becoming more and more
dependent economically on this non renewable industry at a time when it is obvious that coal
production must be wound back if global warming is to be addressed. Train movements through
towns along the coal corridor are becoming unbearable for residents. Further environmental
degradation of the Goulburn River Valley is just not acceptable.
