Address:
841Ridge Rd

Cooks Gap, NSW
2850

Content:
My concerns are with the impact of stage 2 are the same as stage 1 . I am affected with stage 1 with humming, clunking, blasting, dust, traffic and vibrations from the blasts shaking my home. It is also affecting my personal life as you are buying out my neighbours and friends and leaving me isolated. Even though you state the noise levels are below government requirements why is it I am left here to live with the interruptions.
