Dear Sir/Madam,

Objection to the Moolarben Coal Complex Stage 2 _ Preferred Project Report:
Project No: 08_0135

I was perturbed the other day when I heard that The Drip was now owned by Moolarben Coal Company. I always thought it was part of the Goulburn River National Park. It is my firm belief that it should be returned to the NSW State Government so it can be turned into National Park. It needs full protection from mining and all of mining's effects, and the general public should have permanent access.

Yours sincerely
