Dear Paul

Wallerawang Ash Repository Mod 1

Thank you for the opportunity for the Office of Environment and Heritage (OEH) to comment on the Wallerawang Ash Repository Modification 1.

OEH has reviewed the relevant documents and have no specific comments to make. OEH notes that the project is not expected to cause any impacts to biodiversity as it only involves the importation of material from off-site sources and does not involve any clearing or disturbance of native vegetation.

If you have any questions regarding this matter please contact David Geering on 02 6883 5335 or david.geering@environment.nsw.gov.au.

Yours sincerely

PETER CHRISTIE
