Ardmore Park Quarry

Application No MP 70_0155MOD.2

I am totally opposed to large trucks using Oallen Ford and Windellama Rds.

1: Windellama Rd passes through a small country school.

2: The roads are very narrow with many blind corners.

3: We now have increased traffic due to MR92 to the coast opening.

4: I worry about emergency vehicles trying to get to accidents and fires.

I live at 1001 Sandy Point Rd Mayfield via Windellama and travel into Goulburn at least twice a week and would hate to meet a truck on a blind corner. We live in a rural area not industrial.

Regards

J Gurney
