To whom it may concern,

As a local of Bungonia, I would like to express my concerns as regards to the trucks from Ardmore Park quarry in Bungonia, just outside of Bungonia Village.

With the increase of truck activity on the local roads, also comes the increase in chance of truck related accidents. Something which affect locals and visitors to the area alike, and worries and concerns the majority of us.

Also any attempt at repairing the conditions of the roads used by quarry trucks and in improving the roads by quarry personnel have been totally ignored, and does not seem likely in the future.

Now quarry personnel seeks to use roads to the coast, that are unfit for truck use, from State Government. Thereby, bypassing the Local Government.

The locals would like to be a voice that is heard and not ignored. A thought for the locals would go a long way, and will be greatly appreciated by all the locals of Bungonia.

With gratitude,

Soner Yusuf
