**RE: MULTQUIP ADMORE PARK QUARRY CONDITIONS OF CONSENT TO OPERATE**

As a regular visitor to Bungonia and surrounding areas I urge you to object to the new revised proposal by Multiquip Admore Park Quarry which involves the use of another unimproved truck haul route.

I understand that Multiquip Admore Park Quarry's new proposal totally disregards the original agreed conditions of approval by The Honourable Kristina Keneally MP Member for Heffron Minister for Planning Minister for Redfern Waterloo *Friday 2 October, 2009*.

As a family with young children I am are deeply concerned about the safety aspect of regularly driving on local roads of Bungonia and surrounding roads that are already deteriorating and in great need of maintenance.

I respectfully request that the new Multiquip Admore Park Quarry proposal be rejected and urge you to uphold the original conditions of approval for the safety of all concerned.

Thank you.

Sincerely,
