**EXHIBITION OF MODIFICATION APPLICATION FOR BULK EXCAVATION AND BASEMENT  
CAR PARKING, BARANGAROO SOUTH & TEMPORARY CONCRETE BATCHING PLANT**

Dear Madam,

Thankyou for your letter dated 4 September 2012 in regards to your request for comment on the modification application (MP10\_0023 MOD 4) pursuant to section 75W of the Environmental Planning and Assessment Act 1979 (AP&A Act).

Transport for New South Wales (TfNSW) provides the following comments to the modification of the above project application:

- The proponent shall submit a Construction Traffic Management Plan to the Department of Planning and Infrastructure (DP&I) prior to any approval of a Construction Certificate and/or construction works.
- Swept Path Plans of the proposed longest loading truck and crane entering and exiting the subject site including the manoeuvrability of the loading truck/crane within the proposed onsite Concrete Plant shall be submitted to DP&I for assessment and approval.
- All construction vehicles and works shall be contained wholly within the subject site.

If you have any further inquiries, please do not hesitate to contact Mark Ozinga on (02) 8282 2198 or by email [Mark.Ozinga@transport.nsw.gov.au](mailto:Mark.Ozinga@transport.nsw.gov.au).

Yours sincerely,
