Significant Development Modification: Fort Street Public School
Application No. SSD-10340-Mod-1

I write to support the above refurbishment and upgrade of Fort Street Public School.
It is a valuable inner city asset for families.

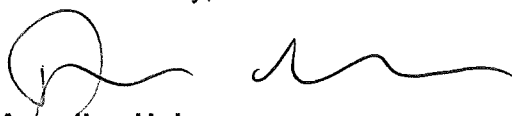

However, I do not support any increase of building height as detailed in the proposed works.

An increase in height would negatively affect the iconic views from public and private locations and is not in keeping with the Millers Point heritage area.

Your consideration to the height aspect when approving the works would be greatly appreciated.

Thank you.

Yours Faithfully,
