**Re: Reference: SSD-10340-Mod-1)
Redevelopment of Fort Street Public School.
Upper Fort Street. Millers Point.**

Dear Sir/Madam,

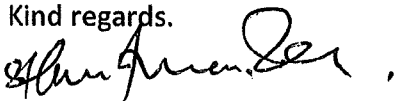

We write, pertaining the Development Modification (SSD-10340-Mod-1),

1. We support the modifications of the Fort Street Public School
2. We endorse raising the current building in situ exclusively, only if does not alter or withdraw residents' current line of views to the iconic sights.
3. Please note, point number 2, will have a crushing effect, both, on the esthetical views, that we currently experience & the value of our properties.

Therefore, we urge you to consider our submissions, before making your determinations.

Thanking you.

Kind regards.

Shaun & Pohring Singh
