Ref: Significant Development Modification: Fort Street Public School
Application No. SSD-10340-Mod-1

I am writing to express my support for the redevelopment of the Fort Street Public School, which has played such an important role in the education of our children over many years.

While the development has my full support, I would hope that there is no plan to increase the height in excess of the original structure. Any increase would detract from the appearance of the National Trust Centre and Observatory Park.

Sincerely,

Carol Ladd
