Dear Sir/Madam,

Re: Support for the Maxwell Underground Coal Mine Project
Application Number: SSD-9526

This letter is to express my support for the application made by Malabar Coal for the Maxwell Underground Coal Mine Project.

I support this project because of the future jobs it will provide for the local township and the Hunter Region.

As I have worked at this mine site for the past 14 years, and continue to work there, hopefully I will be there for the next 20 years also.

I'm behind this project 100%

Kind regards,

Tracey Collett
