Dear Sir

**06\_0193 MOD 1: East Guyong Quarry Project – Access Road Modification**

Thank you for your email of 27 November 2012 referring a modification to 06\_0193, 'East Guyong Quarry Project' to Roads and Maritime Services (RMS) for comment.

It is noted that the proposed modification involves a realignment of the internal access road, however approach and access to Mitchell Highway (HW7) will remain the same as proposed and approved under the original application.

RMS will not object to the proposed modification subject to the recommended conditions of consent provided in the former Roads and Traffic Authority's (RTA) letter, submitted to the Department in relation to this matter (copy attached), remaining in any modified consent issued.

It is requested that the modified determination be sent to RMS at the same time it is sent to the applicant.

Should you require further information please contact Andrew McIntyre on (02) 6861 1453.

Yours faithfully
