Dear Mr Lawlor

**Re: Modification request for Cronulla Marina (expansion and upgrade) – MP06\_0063**

Thank you for forwarding the abovementioned application to Roads and Maritime Services (RMS) for consideration and comment.

RMS has reviewed the amended proposal and wishes to advise that it would support the modifications indicated, provided that the development does not interfere with the public boat ramp adjacent to the slipway.

If you require and further information, please contact RMS' Manager Operations Botany Bay/Port Hacking, Mr Andy Robertson on 9545 5379.

Yours sincerely

Susannah Webb
