Dear Ms Warton

I refer to your correspondence received 11<sup>th</sup> February 2013 seeking comment from the Office of Environment and Heritage (OEH) on the public exhibition for the Staged Development Proposal for the Pymble Ladies College (SSD 5314).

OEH has reviewed the relevant documents and notes that these have been amended to incorporate most of the comments OEH previously provided. OEH has no further comment at this stage and no further interest in being involved.

If you have any queries regarding this matter please contact Sarah Burke on 9995 6848.

Yours sincerely

 27/2/13
