Dear Sir/Madam,

I refer to your letter dated 12 November 2012 with regard to the abovementioned Section 75W modification. The Section 75W modification was referred to Roads and Maritime Services (RMS) for comments and referral to the Sydney Regional Development Assessment Committee (SRDAC).

The SRDAC considered the proposal at its meeting on 5 December 2012 and RMS has reviewed the modification and raises no objection to the proposed modification, as the traffic report prepared by Traffix (Ref: 12.137 S75W Report v03 September 2012) confirms that the proposed modification further reduces traffic impacts on the surrounding road network.

Any inquiries into this matter should be directed to Assistant Planner Sofia Romic on telephone 8849 2914 or via email: [sofia.romic@rms.nsw.gov.au](mailto:sofia.romic@rms.nsw.gov.au)

Yours sincerely,

Owen Hodgson
