

I WAYNE APPS.

WISH TO LODGE MY OBJECTION TO AGL'S PROPOSED EXTENSION OF TIME FOR COMMENCEMENT OF WORK ON PROPOSED GAS FIRED POWER STATION PROJECT. DPP NSW THERE SHOULD BE NO EXTENSION FOR THE FOLLOWING REASONS.

1. AGL HAVE ADMITTED TO BEING CORRUPT. I HAVE TO WONDER HOW MANY OTHER HIDDEN EGGS ARE IN THE BASKET. THE FINE OF 124,000.00 DOLLARS WAS VERY WRONG. SHOULD HAVE BEEN 1.24 MILLION. SOMEONE SHOULD HAVE GONE TO JAIL.
2. THE DPP SHOULD NEVER BE EXTENDED. THEIR EA IS NOW 7 YEARS OLD ANOTHER 2 YEARS AND IT WILL BE 9 YEARS OLD AND A LOT CHANGES.
3. AGL HAVE HAD 5 YEARS TO KEEP TRACK AND UP TO DATE WITH TECHNOLOGY THAT IS OUT THERE NOW AND THAT TECHNOLOGY HAS BEEN CHANGING EVERY DAY SINCE THE APPROVAL IN 2012.
4. AGL WISH TO BRING IN MOD 2 UNDER 3A WHICH MEANS NO EA UP DATE. WE ALL KNOW 3A IS NOTHING BUT OPEN TO CORRUPTION. I SAY NO NO NO NOT ON.
5. AGL SAY THEY WANT TO BE A GOOD COMMUNITY MEMBER. HA HA WHAT A JOKE AND THEREFORE AGL HAVE HAD 5 YEARS TO BE A GOOD COMMUNITY MEMBER AND WHERE HAVE THEY BEEN. BUT NOW HERE THEY COME SLITHERING OUT FROM UNDER A ROCK LIKE A SNAKE. I NEVER TRUSTED A SNAKE THAT SPEAKS WITH A FORK TONGUE. 5 YEARS THEY HAVE HAD AND NOTHING, NOT EVEN A PHONE CALL AND THEY HAVE MY PHONE NUMBER. MY WIFE AND MY DAUGHTER. TO THIS DAY NO CONTACT HAS EVEN BEEN MADE EVEN AFTER THEY SLITHERED OUT FROM UNDER THEIR ROCK.
6. ONE OF MY MATE'S PROPERTIES JOINS AGL. HE RANG AGL OVER 12 MONTHS AGO, TO DO SOMETHING AND CONTROL THEIR NOXIOUS WEEDS. TILL THIS DAY NO RETURN PHONE CALL HAS BEEN MADE AND NOTHING DONE. THAT IS NOT RESPECT AT ALL.
7. AGL HAS NEVER BEEN A GOOD COMMUNITY MEMBER AS EVERY COMMUNITY MEMBER IN THIS TOWN IS A STAKE HOLDER. MY WIFE AND I WERE NEVER CONSIDERED AS A STAKE HOLDER AND THEIR UP-FRONT MAN NEIL COOKE WOULD NEVER TALK TO ME, BUT THANK YOU DPE MAKING AGL ENGAGE AND YES, WE ARE STAKE HOLDERS.
8. AGL USED STAND OVER TACTICS ON PEOPLE AND SOME OF THOSE HAVE SOLD UP AND LEFT. SINCE AGL'S SUSPENSION THIS TOWN HAS GONE AHEAD AND THRIVING. A SUBDIVISION WHICH IT NEIGHBOURS AGL'S LAND WITH 17 NEW LAND OWNERS, DALTON HAS BEEN RE ZONED TO RU2 WITH A SUBDIVISION AND MORE LAND SALES. NEW RESIDENTS TO THE COMMUNITY AND MORE HOUSES GOING UP WHICH SOME HAVE SUSPENDED DUE TO THE REPROCUSSIONS OF WHAT HAS HAPPENED AT URANQUINTY. WE DO NOT AND WILL NOT BE COLLATORAL DAMAGE TO AGL.
9. WE ALSO HAVE JUST FINALISED A SUBDIVISION TO SET OUR SELVES UP FOR RETIREMENT AND NOW GOING TO BE STUCK WITH. WE, LIKE EVERY ONE ELSE THOUGHT AGL HAD GONE AWAY AFTER SO LONG WITH HEARING NOTHING. WE HAVE BLOCKS ON THE MARKET THAT NOW CAN'T SELL – DUTY OF DISCLOSURE. THANKS, AGL.
10. I HAVE HAD A GUT FULL OF AGL LIES. HERE WE GO AGAIN WITH THEIR DRIBBLING SHIT ABOUT JOBS IE 250 THROUGH CONSTRUCTION. 5/10 LONG TERM. THESE AGL IDIOTS MUST THINK WE DON'T REMEMBER JUNE MEETING 2012 AGL CAME CLEAN AND ADMITTED THERE WOULD BE 1 JOB FOR A CLEANER AND PLANT WOULD BE RUN REMOTELY FROM VICTORIA.
11. IN 2016 THE ENDANGERED SOUTHERN PYGMY PERCH WAS FOUND IN OOLONG CREEK. OOLONG CREEK IS ONE OF THREE SMALL COLONIES PYGMY PERCH ARE LEFT IN NSW. AGL NEVER DID ANY ASSESMENT ON OOLONG CREEK. YET LOOP ROAD WORKS AND WALSHES
