**ATTENTION:** Ms Belinda Scott

Dear Ms Scott,

**Agency Comment:- S96 MOD Application to Major Projects Approval; Glen Innes Wind Farm, Glen Innes Severn LGA**

I refer to your letter dated 30 July 2013 seeking comments from the NSW Rural Fire Service (RFS) regarding the above mentioned Modification of development consent application.

The RFS understands that the modification proposal is seeking to amend condition 1.5 'Limits of Approval' of the conditions of approval document dated 2 September 2010, by extending the timeframe by an additional 12 months.

The RFS has no objection to the modification application and requests conditions 2.36, 2.37 and 2.38 of the conditions of approval document dated 2 September 2010 be carried over into any modification of development consent approval conditions.

For any enquiries regarding this correspondence please contact Alan Bawden on 6655 7002.

Yours faithfully,
